Re:- Conduct of Shri Vaidya, Accountant of the Hubli Elec. Supply Undertaking.

The Dy. Engineer, Hubli Elec. Supply Undertaking has reported as under -

"Shri Vaidya did not attend the office throughout the last week of August 1952 but the clerks were asked to come to his quarters for the preparation of pro-forma accounts. It was reported that Shri Udhyavar, Divisional Accountant of Dharwar was preparing accounts for him at his house.

During the whole first week of September 1952 Shri Vaidya seldom attended the office but took all the papers and registers relating to the proforma accounts to Dharwar to complete the same with the help of Shri Udhyavar. He handed over to me the rough sheets and other papers in the office of Shri Udhyavar on 9th inst. and requested me to get the statements typed immediately as he wanted to go on leave at the end of the week."

Shri Vaidya is requested to state whether the above facts are correct and should explain why the papers and office documents were taken outside the office without the permission of Dy. Engineer and shown to the outsiders.

Subject:-Conduct of Shri Vaidya, Accountant of the Hubli Electrical Supply undertaking.

Reference: Your No.G.10 of 26-9-1952.

Para 1:- I acknowledge your confidential letter No.G.10 dated 26th September 1952 regarding my conduct as the Accountant of the Hubli Electric Supply undertaking. I am surprised to note the contents which are evidently misstatements and regret to atate that the Deputy Engineer Shree Panse seems to have not only forgotten his own responsibility in the preparation of the pro-forma accounts but does not also appear to possess even the little courtesy to acknowledge the services rendered by me in this connection. As a mention of few facts by him may perhaps not bring home to you the correct state of affairs, I submit the following particulars in somewhat greater detail to give you an idea of my behaviour through out.

2. Para 1 of Shri Panse's letter:-

At the very outset, I must make it clear to you that I have been allotted quarters in the premises of the Power House, Hubli. These quarters are situated next doors to those of the Deputy Engineer Shri Panse.

The Deputy Engineer's statement that "I did not attend the office through out the last week of August 1952, but the clerks were asked to come to my quarters" is not true in all its entirety. I did attend the office during this period every day for a few hours, to look to the post and dispose of urgent references. This fact will be clearly evidenced by my

ini-

initials on the daily post and on the office muster roll in token of my attendance. It is also true that I was working in my quarters which are situated in the Power House itself. Whenever there was leisure or slack work in office I used to snatch these hours not for my personal account or for idleness but to study the old accounts and to complete the new Pro-Forma Accounts, the preparation and submission of which was of urgent necessity. This work was not possible to be done in the office as the office staff being wholly unaccustomed not only in correspondence but also to accounts, whole of my time in office was utilised in the routine work itself. I had therefore to resort to the preparation of accounts in my quarters at Hubli to ensure accuracy and quickness, even though it meant additional work and strain. This I had explained to Shri Panse who was then kind enough not only to allow me to work in my quarters during leisure hours but also to allow the clerks to come to my quarters whenever I needed them in this connection. I must express my thanks for the co-ordination then extended by Shri Panse and the clerks but I fail to understand how Shri Panse could make now a deliberate false statement that I absented myself in the last week of August 1952. As my quarters are next to his, and my presence was within his visible distance, throughout the day it is a surprise how the Deputy Engineer felt my absence now only, and it was not mentioned in those days or immediately thereafter to me personally or otherwise. It will not be a mistaking, if I make a statement that this is an after thought and a mere fabrication and twisting of facts.

Regarding Shri Udhyavar's presence I submit that he came to Hubli for inspecting the Sub-Divisional office (B & R) Hubli and not to prepare the Pro forma accounts of the Power House alone as stated by Shri Panse. It is however true that Shri Udhyavar was coming

to me and at times stayed with me as my guest. I will not deny my consultation with him in certain matters of P.W.D. Accounts as I am newly appointed and not so much conversant with the P.W.D. accounts procedure. But I am not prepared to accept the remark made by Shri Panse that Shri Udhyavar alone prepared the accounts on my behalf. Perhaps Shri Panse does not seem to know that I am a Commercial Graduate of the Bombay University with adequate knowledge of advance commercial accounting. It is strange how he could imagine that I am unable to prepare the Pro-Forma Accounts from the commercial side. Of course I am new to the P.W.D. system of accounts for which I needed some initiation and guidance. As Shri Panse had already introduced me to Shri Udhyavar, a senior most Divisional Accountant in the P.W.D., I naturally sought the little help and guidance of Shri Udhyavar who happened to be at Hubli as stated above. In so doing I feel, I have not committed in any way by consulting Udhyavar who is also a Government servant of long standing. It is a pity that Shri Panse has indulged in deprecating (I take it that he means it) the valuable assistance and guidance rendered by Udhyavar instead of taking ~~acquisance~~ cognizance and appreciating it at least as a gentleman, if not as an Officer.

3. In para 2 of his letter Shri Panse wants to convey to you the following :-

(1) I seldom attended the office in the 1st week of September 1952

(2) I stayed at Dharwar during this period with all accounts documents and papers relating to Pro-Forma Accounts.

(3) The Pro Forma Accounts were prepared by Shri Udhyavar or with the full help of Shri Udyyavar an outsider.

(4) I myself handed them over to Shri Panse in the

office of the Executive Engineer, Dharwar Division, for getting them typed as I wanted to go on leave at the end of the week.

Regarding these points I submit as follows:-

You are aware that I was then to appear for the I.A.S. examination to be held from 15th September 1952 and for this reason, I had originally planned to proceed on leave from 5-9-1952 by which date I expected I will be able to complete the Pro Forma Accounts, but it was unfortunate, that the co-ordination and the assistance of clerks, formerly extended to me was denied at the critical time, with the result the chances of my completion of the Pro-Forma Account prior to my departure on leave appeared to me remote. Further for certain reasons of my own I decided to stay at Dharwar for few days in my friend's house (not Shri Udyawar) and attended office in car, every day. For this I had the full permission of Shri Panse. Further the fact of my attendance in the office every day could be verified from the initials on the post as well as in the Muster Roll in the office.

In the face of this, how can I deny my stay at Dharwar. As the submission of the Pro-Forma Accounts was very urgent and important I was doing it at Dharwar during night by keeping late hours even though my study for the I.A.S. examination was all the same more important, in so far as I am concerned. As stated above I was denied at this critical time the required help from my office perhaps as it is now made clear to me from your present reference, under the instructions of the Deputy Engineer. This I state boldly because on two or 3 occasions Shri Panse himself had permitted me to go to Dharwar in the Government car and take also Messrs. Hulsogi and Hallikeri clerks, with the relevant documents and to get the difficult points arising in the P.W. accounting, procedure

clarified by Shri Udhyavar who helped us by attending his office in the afternoon of Tuesdays and Sundays (i.e. during his off office hours.) For this kindness of Shri Udhayavar we both should have been grateful to him. It is Shri Panse who introduced me to Shri Udhyavar I fail to understand the motive of Shri Panse by first allowing me to do a job with his knowledge and then pretend to show that this should not have been done. Is it not a direct insult to common sense ?

As stated herein before I was putting up with another friend of mine who spared, an independant room for my convenience not withstanding his inconvenience. It is true I used to carry every day to Dharwar a few documents which I thought to be useful for my reference in the preparation of Pro-Forma Accounts. I used to bring them back to Hubli in my car when no longer required at Dharwar. All the accounts were prepared by me at Hubli and at Dharwar in view of the urgency not withstanding the short time available to me for my I.A.S. examination. When I thought I was unable to make certain entries in the ledgers in such a short time I did take the assistance of Shri Udyawar who was kind enough to help me in posting. Had the Deputy Engineer realised my helplessness in this work and extended full co-ordination and the assitance of his clerks and himself I would not have been forced to work overtime and begged the assistance of the Divisional Accountant Shri Udyawar.

I would like to specially bring to your notice as to why I streneously worked on the Pro Forma Accounts as it is very significant in the present case. It was Shri Panse, Deputy Engineer, who compelled me and also pressed for completing the Pro Forma Account at any cost before I proceeded on leave and he promised that he would give all possible help and facilities. In fact he alone made private purchases of Blank Books of

ledgers and journals at his own cost and handed them over to me on 25th or 26th August 1952. I trusted him and with a sincere sense of duty I completed them. This fact could be very well verified from the ledgers and journals themselves on office record. The use of private books of ledgers and journals instead of prescribed Government ones (which are still awaited from Yeravda Press) will speak the truth of my statement. Can any reasonable and sensible man believe Shri Panse if he now states that I stayed at Dharwar without his permission, carried the documents without his knowledge and used the Government conveyance ~~more than once~~ on many occasions, by me alone and at times in the company of Shri Panse and utilised the services of the clerks who were deputed by Shri Panse in Dharwar, and in connection with the Pro Forma Accounts. It is now for you to judge the truthfulness of the statement and Shri Panse's motive ~~xxxxx~~ in conniving and concocting facts against me.

As stated by me herein before, all the Pro-Forma Accounts were prepared by me in the manuscript. I wanted to thank Shri Udyawar on the 8th on my way to Hubli as usual, for handing them over to the ~~xxxx~~ Deputy Engineer for disposal. Accordingly I ~~xxxxxxxx~~ saw Shri Udyawar in his office. All the documents were kept in tact in my car outside Udyawar's office premises. Then I happened to see Shri Panse with Shri Udyawar. He then ordered me not to come to Hubli that day i.e. on 8th (not 9th) as certain information was to be obtained from the office of the Executive Engineer, Dharwar Division urgently. He alone told me that he would take the pro forma account papers and get them typed and that I should come on the 8th evening or 9th morning at the latest after getting the reply from the Executive Engineer, Dharwar, as that information was very urgent and important in connecti-

with budget. The fact that I have personally received this letter, from the office of the Executive Engineer, Dharwar Division, could very well be verified by my initials in the local despatch book of the Dharwar office or by enquiry in that office, in token of my acknowledgment. I may also add that I handed over the documents to Shri Panse at Dharwar on the 8th at his own request when other members of the staff of the Dharwar Division were also present and amongst them was the Deputy Engineer, Dharwar (B & R) Sub-Division. The truth of this statement of mine may be verified by you if necessary.

The preparation of the Pro-Forma Accounts in question relating to the previous years is the sole responsibility of the Deputy Engineer. The Deputy Engineer I noticed, was unable to give me any clarification of the points particularly with regards to the classification of charges under various sub-heads. For this purpose and in the interest of Government work I not only took the help of Shri Udyawar but also other Divisional P.W.D. Accountants in Dharwar and Hubli. In fact I had to collect Government orders and information from other Government Offices as well, as I am unable to trace them in Hubli office. I searched in the office of the Dharwar (B & R) Division and Karnatak Irrigation Circle. I am grateful to all who rendered me the possible help

From the foregoing facts it will be clear to you that all the documents were with me and <u>not</u> in the hands of an outsider. Of course I had to show at times to some of the P.W.D.Divisional Accountants who are also Government servants, whenever I needed any clarification. The statement of Shri Panse is evidently false and prejudicial I never expected that he will set aside his conscience

as a gentleman, twist the facts and misrepresent them to the higher authorities at my back and by putting me, in the pitch darkness away from the real state of things. I leave it to you to judge my behaviour from the right angle taking my statement of facts into consideration.

2. I joined my services on the 7 th of March 1952, as the Accountant of this Undertaking as per office order No. 120 Dated 4-3-1952 from the Electrical Engineer to Government of Bombay, P.W.D. Bombay. During the period from this date and the date on which I proceeded on leave for my I.A.S. Examination I feel proud to say that there was not a single instance for my Officer's (Executive Engineer, & Electrical Engineer to Government) pointing out to me either my lapse, negligence in duty or inefficiency. It is very strange that I should receive a notice on the 26 th September during my stay at B'bay from the Electrical Engineer to Government, of termination of my services from 1-11-1952 without waiting for my explanation to the points communicated to me by the Executive Engineer, Electrical Division Bombay, on the very day. This I consider it to be

may committed any mistake at any time the superior officer should have corrected me than or there only. I had no such occasion to receive such a direction till the date of receipt of notice of my termination of my services i.e. 26-9-52. Simultaneously I received a confidential memo from the Executive Engineer calling my explanation on the certain points pointed out by shri Panse. It appears that the Electrical Engineer seems to have hastily decided my termination of services merely on the strength of Shri Panse, temporary Deputy Engineer without proper enquiry as to their correctness or otherwise. The action was subjudice besids being in contravention of the orders of government contained in of 27-11-51.

I therefore request you to review the case and extend me to proper justice by instituting a judicial enquiry in the matter.

Shri B.P.Vaidya, Commercial Accountant at the Hubli Electric Supply Undertaking, has appealed to Govt. against the orders of the Elecl.Engr. terminating his services from 1.11.52. From the copy of the Ex.Engr.,Bombay El.Dn's letter No.G-10, dated the 26.9.52, it is seen that the following charges were framed against Shri Vaidya:-

(1) Absented from duty throughout the last week of Aug. 1952 and asked the clerks to come to his quarters to work.

(2) Pro- forma accounts were prepared by Shri Udhyavar, Dnl.Accountant of Dharwar.

(3) Seldom attended office during the first week of September and took all papers and registers rolating to pro-forma accounts to Dharwar to get them prepared with the help of Shri Udhyavar. The rough sheets and other papers were actually handed over to the Dy.Engr. in the office of Shri Udhyavar.

The notice of discharge from the El.Engr. is also dated the 26.9.52. The El.Engr. seems to have taken this action without waiting for an explanation from Shri Vaidya to the charges framed against him by the ~~El.Engr.~~ Ex. Engr. This is in contravention of the orders issued in G.C.,P.& S.D.,No.1581/34-D, dated the 27.11.1951. From Shri Vaidya's appeal it is seen that the El.Engr. had called him to his office and had questioned him in the matter. However, in view of the fact that the Ex.Engr.,Bombay El.Dn., had served Shri Vaidya with a charge sheet, it was but necy. for the El.Engr. to await the explanation from Shri Vaidya in writing. It, therefore, seems that no proper enquiries were instituted before a notice of discharge was served on Shri Vaidya. The draft put up may

Subject:- " Resignation of the post of an Accountant of the Hubli Electric supply (P.W.D. Hubli."

Sir,

Since 26 th september 1952, the day on which the notice of termination of my services was issued to me, I fin the behaviour of Shri A.D.Pance, Deputy Engineer, Hubli Electric Supply Undertaking is very strange. From 1 st oct. till 16 th Oct. 1952 (till the date i proceeded on medical leave) I received several office orders from the Deputy Engineer, Hubli. The various office orders calling for my explanation in every trivial matter bears testimoney to this fact.

Under the circumstances I am not having any mental peace and physically also I am much pull downand I therefore tender my resignation of xx the post of an Accountant of Hubli Electric Supply (P.W.D.) Hubli.

Resignation may kindly be accepted with immediate effect.

2. I have to state that the case of Shri B.P.Vaidya has since been reported to the Police and it is under inquiry. It is likely that the Police Department will take some time to finalise the case and it is, therefore, not advisable to keep Shri Vaidya under suspension till the case is finally decided as Government will have to bear the expenses for the subsistance allowance that will have to be paid to him while under suspension unnecessarily. Shri Vaidya has since tendered his resignation from the 25th October 1952 B.N. and I am, for the above reasons, accepting his resignation from the date of his resignation. My action in this respect may, therefore, be approved.

The action taken by the Police Department will be

.Shri B. P. Vaidya, tempy. Commercial Acctt. at the Hublic Electric Supply Undertaking, has been suspended from service by the El. Engr. as it was found that he had secured his appointment by making false statements in his application. The case is under investigation by the Police. Shri Vaidya has, in the meanwhile, tendered his resignation from the 25-10-1952.

2. The El. Engr. has accepted the resignation from the 25-10-52 as Govt. would have unnecessarily to pay his subsistence allowance if the resignation was not accepted and he continued under suspension. The El. Engr. has requested Govt. to approve his action.

3. If, as a result of the police investigations, it is decided to prosecute Shri Vaidya, it will be possible to do so even if he is no longer in service. If, however, prosecution is not considered feasible, it will be possible to black-list him, which will have the same effect as dismissal from service. There is, therefore, no objection to accept his resignation with effect from the 25-10-52. The El. Engr's action may, therefore, be approved. The draft put up may issue after u.o.r. to the P. & S.D.

"POLITICAL AND SERVICES DEPARTMENT
'D' BRANCH"

Since the resignation tendered by Shri Vaidya has already been accepted by the Electri-cal Engr. who is the authority competent to accept it nothing can be done in the matter now. Govt. has therefore to acquiesce in the position irrespective of whether or not the action of the Electrical Engr. in accepting the resignation was in order. Please see in this connection G.C., P&SD., No.1581/34, dated the 16-3-1951 in which officers have been clearly asked not to accept resignations tendered by Govt. servants facing disciplinary action. The action of the Electrical Engr. in accepting the resignation of Shri Vaidya who was under suspension and against whom not only departmenta action but legal action was contemplated was clearly in contravention of the orders. Even if therefore the Electrical Engr. felt that his action was justified in the circumstances stated by him it was necy. for him to report the case to Govt. and to await Govt. orders. P.W.D. may therefore bring this to the notice of the Electrical Engr. and tell him that he should avoid such an irregularity.

2. Shri Balasaheb Martand Deshpande who had assumed the name of Shri B. P. Vaidya had forwarded true copies of the following certificates (copies enclosed) along with his application for appointment:-

1). B. Com.degree examination certificate. +

2). Marks certificate of matriculation examination. ×

3). -do- of B. Com. Examination.

4). Domicile Certificate.

5). Certificate of experience from M/s.Nanavati & Co., Bombay. (Copy not furnished as the original is with the Police Deptt)

3. It was later on discovered that the copy of Matriculation Marks certificate submitted by him was a fictitious one and this fact was confirmed by the Registrar of Bombay University. The statement of marks recorded in the copy of the certificate was false and incorrect as the certificate of marks was in fact issued to one Shri R. B. Satwe who passed the Matriculation Examination in the year 1945. Similarly the certificate of having passed B. Com. Examination in the II class produced by Shri Deshpande was in fact a copy of certificate of one Shri B.P. Vaidya, whom he had personated.

4. In this connection it is suggested that as the correct identity of Shri B. M. Deshpande has now been established by the Court he may be referred to as "Shri B. M. Deshpande" and not as "Shri B.P. Vaidya" in future correspondence, if any.

The Elcl. Engr. to Govt. had reported in his letter No. LRM 11/9997, dt. the 24-10-52, that Shri B.P.Vaidya, late Commercial Accountant at the Hubli El. Supply Undertaking had made certain false statements in his application for the post of the Accountant. In the meantime Shri Vaidya who was put under suspension tendered his resignation and was accepted by the Elcl. Engr. Though the Elcl. Engr.'s action in accepting Shri Vaidya's resignation was not correct, the orders issued by him were allowed to stand. The matter was, however, reported to the Police. Police investigations have revealed that Shri Vaidya's real name is Shri"Balasaheb Martand Deshpande" and that he had impersonated as Shri " B.P.Vaidya ", a copy of whose B.Com. certificate he had forwarded with his application for the post. Police investigation also revealed that he had forwarded a false certificate of marks obtained at the Matriculation Examination in 1945. Shri Deshpande who was prosecuted by the Police has been convicted and sentended to six months R.I. by the Presy. Magistrate at the Esplanade Police Court, Bombay--vide. para 2 of the Elcl. Engr.'r letter at p. 71 ante. Since it has been proved that Shri Deshpande secured employment under this Govt. by acting as an imposter his name may be entered in the "Black-list" Particulars of Shri Deshpande may be forwarded to the P & S.D. for entering his name in the next black-list to be issued by that Deptt. Respected Sir,

I the undersigned L. S. Tibeli Temply. Khalasi beg to approach your honour with the following grievances to get it redressed by your kind and timely intervention.

Shri. V. S. KALBAG comes from Sirsi and he is willing to go Sirsi, his home town on transfer. When a person is already willing and anxious to go his native place then what is the necessity of forcing me to go to Sirsi. I request you to kindly consider this case which is quite genuine.

With my low salary, I will not be able to support my family consisting of 10 members in another place outside at a time when cost of living is too high.

Under the circumstances explained above, I earnestly request you to consider my case and cancel my Transfer Order.

For this kindness, I shall ever remain grateful and may God for your long life. Copy of Shri Kalbag Peon's application is enclosed.

I beg to remain

Sir,

I the under signed L. S. Tabali beg to lay before you the following few lines for your kind consideration

I was transformed from B and R division to your division as a peon in place of Shri. N. B. Nadaf. Please see Ex. Engr. B and R order no. E. 5-2 of 28-2-1952. But on my actual resumption of duties I was once again neglected relegated to the post of a Khalasi, where as another person definitely junior to me was favoured with the post of Peon. You are aware, Sir that I have completed five years of my service on 10-3-1952 and I have raised no objection if the person who was appointed as Khalasi was senior to me even by a day.

You will therefore see that I am the just claimant of the post and hence I earnestly request you to reconsider the question and impart justice.

(13)

WARNING. 27/12

Shri. Tibeli, Khalasi Should at once rectify his behaviour and Should be obedient in carrying out the orders assigned to him. He is seen at present indifferent towards his work and also not attending to his duties promptly. He has been already instructed orally regarding this. He Should note that he is given a chance to improve in his work, failing which further steps deemed fit will be taken in this matter.

Respected Sir,

I, the undersigned beg to lay the following few lines for your honour's favourable and sympathetic consideration:

I hail from Sirsi in Kanara District where I have got my own house. I have got an old ailing father to support. He is at present residing at Sirsi. There is no one to look after him except myself. Since last few days his condition is precarious. He badly needs my present by his side at this hour for which I have already received a wire from him. I being the only son for him, it is my bounden duty to nurse him.

I hope you would be kind enough to transfer me to Sirsi Sub. Division which is under your jurisdiction in the circumstances explained. I hope I would not be disappointed

The wire received from my father is attached here with for favour of perusal and passing on orders.

I expect early favourable orders in the matter.

Thanking you

Respected Sir,

I the undersigned L. Sh. Tebeli Temply Khalasi of Irrigation project Sub-Division Dharwar humbly beg to lay the following few lines for your kind consideration

I have served for 5 years in Dharwar B and R Sub. Division. In March-52 I have been transfered to Irrigation Project Sub. Division. Within this short period if I am transfers to Sirsi, would be very difficult for me to pull on within this less salary.

I am the only earning member and I support my family consisting 8 to 10 members. In my place Shri. V. S. Kalbag peon is willing to go on transfer to Sirsi, his home town. To go on transfer to Sirsi he has already applied.

I therefore request your honour to kindly consider my case and cancel my order of transfer.

Copy of Shri V. S. Kalbag Peon's application is attached for your kind perusal.

I am therefore submitting my application through the Executive Engineer, Dharwar Irrigation Div.

To Shri R.S. Fibeli; Temporary Khalasi, Mankilla Dharwar.

Subject: Transfer of class IV govt Servants.

Memo: Attention of Shri. R.S. Fibeli temporary Khalasi is invited to the marginally quoted communications & he is directed to state as to why disciplinary action such as discharge from Service shall not be taken against him for the following serious lapses on his part.

1) This office letter no G-52/16 of 9-9-52 through The SDO Dharwar Irr/proj/sub. Div.
2). This office regd AD letter G-52/4 of 15-9-52.
3). This office letter G 52/58 of 19-9-52.
4). This office regd AD letter G 52/56 of 22-10-52.
5). This office regd AD letter G52/— of 21-11-52

i.) He was transferred to Sirsi as per this office establishment order G 52/17 21-8-52 in the interest of public Service. But after his relief on 3-9-52 from the Dharwar Irr/project sub-Div, he is staying for duty at Sirsi remaining absent from duty unauthorisedly of his own accord till this date. This tantamounts to wilful absence from duty & misbehaviour in the terms of rule 6(1) of the BCSR manual Vol. I.

ii) Inspite of several letters directing him to report for duty at Sirsi & he evaded to resume duty at Sirsi, thus regarding the orders of the undersigned. He was given sufficient time i.e., upto 2.12.52 to resume for duty. In his letter of 20-9-52 he has flatly refused to go to Sirsi & in his letter dated 2.12.52 he has stated that he is trying for employment elsewhere. From this it appears that he has no mind to resume duty at Sirsi & purposely trying to resort to irregular actions & as belonging irresponsible & careless attitude towards the orders of the Superior authorities.

2). Shri Fibeli should therefore submit his satisfactory explanation in defence of the above charges to reach

this office by the 5th January 1953 definitely, failing which his services will be terminated with effect from 4.9.52, the date from which he continues to remain absent from Govt. duty unauthorisedly & without entering into any correspondence. This is a final chance given to him.

The Executive Engineer,
Dharwar Irrigation Division,
Dharwar.

Sir,

With reference to your letter No.G-52/20 of 19-12-1952, I beg to state as under :-

I, Laxman Sivaram Tibele, Khalasi, beg to state as under.-

On receipt of orders regarding my transfer to Sirsi, I placed before your kindness the deplorable state of my family and explain how I could not move myself to Sirsi and prayed to keep me at Dharwar under the circumstances stated therein and placed the affair before your sympathetic consideration, hoping that my humble prayer will meet with sucdess.

In the event of the transfer order, I prayed for leave, to be granted to me and I further pray through this application to grant me one month's leave on the termination of the leave already applied for i.e.31-12-1952. I beg to add here that, as ill-luck would have it, the affairs of my family have not improved and they are still in a deplorable state. Hence I appeal to your sympathy for afore prayed leave, already stated in the above paragraph. It will not be out of place to mention here that and to invite your sympathy regarding the length of my faithfull Government service extending over 11 years both Civil and Military Viz. five years in Military and 6 in P.W.D. and in the merit of which I pray for leave and such kind of sympathetic consideration and action, under the circumstances stated in the above and following paragraph.

I need not mention here that on account of my inability and helpless condition, you will not take, I fully believe, take such action to remove me from service, for making prayer and taking leave under these circumstances, so far stated, I hope your will, therefore, be pleased to sympathise with me and for my praying you again and stating the same thing that, I am not in positionto leave Dharwar.

To me and to a man, placed under critical circumstances, it is but natural to have recourse to such a prayer and this, I have followed as a human nature. So in various ways just to be of some service to the family while doing Government duty, and in this sense on account of myself possiessing a driving license and having had long experience of driving as will be explained personally -- before you will be pleased to take any action and here me through by granting your sympathetic ear to my grievances by calling me on any day. When I shall appear before you for the purpose of telling sad story where in per chance if my request for retaining me at Dharwar will not be granted, I,with a mind to get your help requested ~~for retaining me at Dharwar~~ and prayed to give me a chance elsewhere to work as a driver etc. and this surely I considered you will take as one of my prayers to extend ~~help~~ help without amounting this prayer otherwise.

So in conclusion, and in the circumstances so far stated, I believe that you will kindly consider how I myself obliged and draged to pray you for leave, for transfer of my services and as driver or retain me at Dharwar. Under the circumstances and helpless condition to which I was reduced and this if you personally hear me through, I hope you will surely favourably and sympathetically consider my case and do all to help me in the sad predicament, under the circumstances and in view of long and faithfully service 11 years on its own merits. Awaiting a favourable early reply and for an opportunity to hear my sad tale through in a way to give a helping hand and I remain your ever faithfully.

I beg to remain,
Sir,
Yours most obedient Servant.

From
Shri. L. S. Tibele

To

The Executive Engineer. 4G 143 Dharwar. 21-20-2-53

Dharwar Irrigation Division Dharwar.

Sir,

I The undersigned applicant working as a temporary Khalasi for the last 6 years in the Irrd Deptt, bring the following to your kind consideration. Before this I served for 5 years in the auxiliary as a movement Driver in Royal Indian Artillary. In this way I have put in 11 years honest service in the govt. I was appointed on 10-3-47 as a temporary khalasi in special building construction Irrd B+R Sub Division Dharwar. But the SDO who was then at that time appointed me for this post on condition to run his private car. But when I was appointed I was not asked to do any of his private work for nearly 3 years reason being not known. But lately there is a new way of his 3 years, one night I was called at his home & I was told that, if I did not drive his car I might be dismissed from service in the retrenchment scheme of the Govt then existing. Having afraid of his working I consented for it without any hesitation. In the same time govt. had issued a rule that no govt. servant should be asked to do any private work during the office hours or by pressure. In accordance with this govt circular, the S.D.O took from me in writing to guard his safety. But I can say that all this was done to deceive the govt. & safeguard his own interest. Has I not yeilded to give in writing, then I would have been dismissed from service or transfered to some distant place.

A

B

When S.D.O for the first time called me at his house

at night & asked me to drive his private car at that time. I had no license & I told about it to him. Then the S.D.O promised me to get a learners license & after that gave me 23 rupees for the license.

license fee	2 rs
Doctor	7 -
photo	6 -
insurance	5 -
Revenue	2 -
post	1 -
	23 rupees.

According to his advice I showed him the new license. From this day onwards he began to trouble & treat me as his slave. But before this, the S.D.O did never tell about any of his private works.

The letter that I have attached here with declaring him by that I am not doing any extra work. but only work from 8 to 12 in the morning & 3 to 6 in the evening as fixed by the Officers. But apart from regular govt. service during this time, I had to do from 7 AM to 9 PM, the private work of any S.D.O. I used to go regularly at 7 AM to the S.D.O's house & clean his car. washing & oiling. & then start the car once in every 2 days, I had to wash the car with water drawn from the well by me alone. Then from 8 to 11 I went with the Officer in his car for his work & at 11 AM I had to take his children to school & bring the S.D.O back to house for morning meals. If at all the S.D.O wants to go outside the city, I had to go with him. Then I used to return to his house daily almost at 1 PM or 2 PM & then I had to go for my food & return again at 3 PM. to S.D.O's house. Then I used to take him again to his Office at 3-30 PM & return back again to his house. To obey the next orders issued by his wife at home. Sometimes she wanted to go to market

example, to somebody's house or somewhere else. When I did all this work the train came nearly to 4-30 pm & so again go to school to bring his children home & again go back to office to bring the Officer home in a car. He thought that the position of an Officer is only that he should not go without a car or a driver. So to finish all these my duties for the S.D.O the train according clock used to be 8 pm. Even for going outside after the office hours he asked to come with him as a driver of his car. Sometimes even after 8 pm at night. If the family of the S.D.O wishes to visit a film, I was detained there for that. I used to take them for the show, there actually they sat in the theatre & I used to sit outside to guard this car in a dense cold up to 1 AM at night.

All the extra work was done without any remuneration. Even the license fee of Rs 23/- that he had paid to get it for me, took from my pay by instalments in 3 months. I did all this over work without any grumbling due to my poverty & also being afraid of his warning about the safety of my job.

My family contains 8 members including myself, mother, widow sister & her son, wife daughter & son. I am responsible for such a big family & so I had to obey the S.D.O's orders without grumbling. I did not get any

bearing reply from my superiors, to my application about my confirmation of temporary appointment. I have also attached herewith the reply received by me from the superior officer. Mr. Hariharan, Gowribai Bastin Sakhyaram etc, all these have been confirmed in the deptt, though their services are less compared with mine. I have put in a faithful service of 11 years, but still serving as a temporary hand. All this can be understood by the records concerned with this. I spent the above said hard life service for 5 years in Dharwar Port B & R Dn Dharwar.

After that the road project Sub Division office was transferred from Dharwar to Kompsur & in this change, so many sub-ordinate servants were transferred to various places. In the same time though I was also transferred to project Sub. Div. office, I was actually transferred according to my request to Irrigation office. I requested so, to escape from the trouble then according to the order I joined my duties on 1-3-52 After that till the end of the year, there was no trouble to me in any way, only because the project Sub. Div officer then had no car of his own, but he was transferred in the last week of June & the new officer who took charge of this post again began to trouble me in a similar way. This officer asked me to drive his car & get it repaired at my own cost. But when I

refused to do all these things, he gave me 53
official warning in writing. But this warning did not
contain the mistake that I did. He also transferred me
at the same time to Sirsi (Kanara District). But then
I applied to the Officer explaining my critical difficulties
& requesting him to cancel the transfer orders. Still there
is no satisfactory result about it. So from 1-9-52
I am at home on leave without pay. I request
you to consider this case in which a man like
me at home, without pay, for 5 months, with 8 members
in the family.

At the same time there was one person in the
deptt. who was willing to go to Sirsi, but somehow the same
person expressed his unwillingness when he was advised by
the Officer to do so. So today he has intimated this to me.

So I humbly request you Sir to get me re-
transferred to Dharwar with my 5 months pay being paid,
considering my honest service of 11 years in the deptt. At the same
time I also request you to enable me a permanent hand
in department & hence I hope you will give me an
unparalled justice.

Waiting for your kind reply. I have attached
with this application all the necessary copies & papers.

Yours faithfully.

Shri L. S. Tibeli, ex-khalasi in the Dharwar Irrign. Dn., in his representation addressed to the Ex. Engineer (cover addressed to the Dy. Secy) requests to be reinstated in service. Shri Tibeli's services seem to have been terminated probably because he did not comply with his transfer order from Dharwar to ~~Sini~~ Sirsi - vide portion marked 'X' of his representation.

p.53

A representation received sometime back for the cancellation of his transfer order was forwarded to the S.E. (K.I.C.) for disposal - vide G.E. No. NS 93/97978 F, dated the 24.10.52.

2. Shri Tibeli states that he was appointed as a Khalasi on 10-3-47 and posted to the Bldgs. & Roads Sub-Dn., Dharwar. In his representation Shri Tibeli has tried to point out the circumstances that led to his transfer to ~~Sini~~ Sirsi and termination of his services. Shri Tibeli states that for 3 years things went well but after that the S.D.O. called him home and ordered him to do his private work viz., driving his car both during and outside office hours. He states that he actually worked from 7 A.M. to midnight. He has forwarded a copy of the statement alleged to have been taken from him by the S.D.O. that he attended only to official work. It is, however, not understood why Shri Tibeli remained silent so long. With the transfer of the B. & R. Sub-Dn. from Dharwar to Kolhapur, he was transferred to the Irrign. Sub-dn. and he was not harassed after that. However, with the transfer of the S.D.O. of the Irrign. Sub-Dn., the new S.D.O. again began to trouble him. On his refusal to do driving work he was transferred to ~~Sini~~ Sirsi. Shri Tibeli states that due to certain difficulties he could not go to ~~Sini~~ Sirsi and pleaded for the cancellation of his transfer order. The person who was prepared to go in his place also changed his mind due to pressure ~~was~~ brought by the.....

the S.D.O.

3. In the circumstances stated above it seems worthwhile investigating the conduct of the two S.D.Os. As the exact period during which these things happened has not been stated it is not possible to state who the two S.D.Os. are. ~~[illegible]~~ Perhaps, examining certain persons who were working with the S.D.O. will throw some light in the matter. The -- correspondence received from Shri Tibeli may be forwarded to the S.E., K.I.C., for investigation and report. If so, the draft P57 put up may issue, if approved.

To

The Executive Engineer,
Dharwar Irrigation Division,
Dharwar.

Sir,

I, the undersigned, Laxman Sivaram Tibeli, beg to lay the following few lines before you, for your kind consideration.

I was transferred from B. & R. Division to your Division, as a peon in-place of Shri N.B.Nadaf (please see Executive Engineer B.& R. order No.G-52 of 26-2-1952). But on my actual resumption of duties, I was once again relegated to the post of a Khalashi, whereas another person, definitely junior to me, was favoured with the post of the Peon. You are aware, Sir, that I have completed five years of my service on 10-3-1952 and I would have raised no objection whatsoever, if the person who has been appointed as peon, was senior to me, even by a day.

You will therefore realise that I am the just claimant of the post and hence I earnestly request you to reconsider the question and impart justice.

Inspite of all this, if you can not provide me with the post of a peon, you may please be kind enough to transfer me back to my Division.

Hoping to receive an immediate reply.

I remain,
Yours faithfully,
Sd/-L.S.Tibeli.

To

The Executive Engineer,

I, Laxman Sitaram Tibeli, Temporary Khalasi beg to state that I have my own house at Dharwar and have to maintain a family consisting of 8 members i.e. Grandmother, Mother, Sister, wife, 2 childern and son-inlaw who are wholly dependent upon me Thus I am the only earning hand in my family. If I am transferred at this state, my whole family will be completely ruined. I reliably learn that one Shri. Vithal Kalbag is willing to go to Sirsi. If this be the case, I don-not understand as to what purpose would be served by transfering me who is not willing. Under the circumstances, I request that you will fully consider both these facts and hope that you will give proper decision in the matter.

Respected Sir,

I the undersigned L.S.Tibeli, Temporary Khalasi beg to approach your honour with the following grievances to get it redressed by your kind and timely intervention.

Shri.V.S.KALBAG comes from Sirsi and he is willing to go Sirsi, his home town, on transfer. When a person is already willing and anxious to go his native place, then what is the necessity of forcing me to go to Sirsi I request you to kindly consider this case, which is quite genuine.

With my low salary, I will not be able to support my family consisting 8 to 10 members in another place, outside at a time when cost of living is too high.

Under the circumstances explained above, I earnestly request you to consider my case and cancel my Transfer order.

For this kindness, I shall ever remain grateful and pray God for your long life. Copy of Shri. Kalbag Peon's application is enclosed.

Sir,

I, Shri L.S.Tibeli Khalashi beg to state that one Shri V.S.Kalbag has expressed his willingness in writing to go to Sirsi Irrigation Sub-Dn., which I can prove it. But now I learn from Shri Kalbag that he has been threatened that he would be removed from service if he expresses his willingness to go to Sirsi. I also learn that a statement to the effect that Shri Kalbag is not willing to go to Sirsi has also been obtained from him forcebly. I therefore request you not to give partial justice in my case only. Now, I also cannot make out as to who has supplied you information to the effect that Shri Kalbag is not willing and that I am willing to go to Sirsi. As a matter of fact, I have already informed you previously of my unwillingness to do so. I intend to say here again that, I even now ~~state thdt I am~~ unwilling to go to Sirsi.

Reference :- Correspondence resting with this office Memo No. G-52/56 of 22-10-1952 and his subsequent applications dated 24-10-1952.

MEMO :

Shri. Tebeli Temporary Khalasi is hereby informed that inspite of repeated orders from the undersigned to resume duty at Sirsi vide this office Nos. G-52/1½ of 9-9-1952, G-52/4 of 15-9-1952, G-52/58 dated 19-7-1952 and G-52/56 of 22-10-1952, he has not reported for duty so far. He is simply putting applications on one place or other and avoiding to resume duties at Sirsi. This action of his in remaining absent unauthorisedly for any length of time, of his own accord from duty, amounts to wilful absence and misbehaviour for which he renders himself liable for discharge from service. He is therefore hereby finally informed that he should report for duty at Sirsi by the 2nd December 1952 definitely, failing which the undersigned will be constrained to take action to terminate his service and no representation whatsoever in this connection will be entertained from him thereafter. He should note that this is the final notice wherein he has been given time to resume duty. He will not be allowed to resume duty after the 2nd December 1952.

2/- His action in submitting applications to Government and Superintending Engineer, K.I.C. direct for cancellation of his transfer to Sirsi is objectionable and irregular. He is therefore hereby warned for following this irregular and objectionable method.

3/- This is final warning given to him to show improvement in his behaviour.

MEMO :

Attention of Shri. L.S.Tebeli, Temporary Khalasi is invited to the marginally quoted communications and he is directed to state as to why disciplinary action such as discharge from service should not be taken against him for the following serious lapses on his part :-

1) This office letter No. G-52/16, dated 9-9-1952 Through the S.D.O. Dharwar Irrign., Projects Sub-Dn.,

(2) This office Registered A.D. letter No. G-52/4 , of 15-9-1952,

(3) This office letter No.G-52/58, dated 19-9-1952

(4) This office Registered A.D. letter No. G-52/56 dated 22-10-1952,

(5) This office Registered A.D. letter No. G-52, dated 21-11-1952,

(i) He was transferred to Sirsi as per this office Establishment Order No. G-52/17, dated 21-8-1952 in the interest of public service. But after his relief on 3-9-1952 from the Dharwar Irrigation Project Sub-Dn., he instead of joining for duty at Sirsi, remaining absent from duty unauthorisedly of his own accord till this date. This tantamounts to wilful absence from duty and misbehaviour in the temms of Rule 645 of the B.C.S. Rs. Manual Volume I.

(ii) Inspite of several letters directing him to report for duty at Sirsi first, he evaded to resume duty at Sirsi, thus disregarding the orders of the undersigned. He was given sufficient time i.e. upto 2-12-1952 to resume for duty. In his letter of 20-9-1952 he has flatly refused to go to Sirsi and in his letter dated 2-12-1952, he has steated that he is trying for employment elsewhere. From this, it appears that he has no mind to resume duty at Sirsi and purposely trying to resort to irregular actions and displaying irresponsible and careless attitude towards the orders of the superior authorities.

2/- Shri. Tebeli should therefore submit his satisfactory explanation in defence of the above charges to reach this office by the 5th January 1953 definitely, failing which his services will be terminated with effect from 4-9-1952, the date from which he continued to remain absent from Government duty, unauthorisedly and without entering into any correspondence. This is a final chance given to him.

To

The Executive Engineer,
Dharwar Irrigation Division, Dharwar.

Sir,

With reference to your letter No. G-52/20 of 19-12-1952 I beg to state as under :-

I Laximan Sivaram Tibele, Khalasi beg to state as under :

On receipt of orders regarding my transfer to Sirai, I placed before your kindness the deplorable state of my family and explain how I could not move myself to Sirsi and prayed to keep me at Dharwar under the circumstances stated there in and placed the affair before your sympathetic consideration, hoping that my humble prayer will meet with success.

In the event of the transfer order, I prayed for leave, to be granted to me, and, I further pray through this application to grant me one month's leave on the termination of the leave already applied for i.e. 31-12-1952. I beg to add here that, as ill-luck would have it, the affairs of my family have not imporved and they are still in a deplorable state. Hence I appeal to your sympathy for afore prayed leave, already stated in the above pragraph. It will not be out of place to mention here that and to invite your sympathy regarding the length of my faithful Government service extending over 11 years both Civil and Military viz. five years in Military and 6 in P.W.D. and in the merit of which I pray for leave and such kind of sympathetic consideration and action, under the circumstances stated in the above and following paragraph.

I need not mention here that on account of my in ability and helpless condition, you will not take, I fully believe, take such action to remove me from service for making prayer and taking leave under the circumstances, so far stated, I hope you will therefore be pleased to sympatheise with me and for my praying you again and stating the same thing that, I am not in position to leave Dharwar.

To me and to a man, placed under critical circumstances it is but natural to have recourse to such a prayer and this, I have followed as a human nature. So in various ways just to be of some service to the family while doing Government duty, and in this sense on account of myself possessing a driving <u>lecense and having had long experience of driving as will be explained personally</u> before you will be pleased to take any action and here me through by granting your sympathetic ear to my grievences by calling me on any day. When I shall appear before you for the purpose of telling sad story where in paer chance if my request for retaining me at Dharwar will not be granted, I with a mind to get your help requested and prayed to give me a chance elsewhere to work as a driver etc., and this surely I considered you will take as one of my prayer to extend help without amounting this prayer otherwise.

So in conclusion, and in the circumstances so far stated, I believe that you will kindly consider how I myself obliged and dragged to pray you for leave, for transfer of my serwices and as driver or retain me at Dharwar. Under the circumstances and helpless condition to which I was reduced and this if you personally hear me through, I hope you will surely favourably and sympathatically consider my case and do all to help me in the sad predicament, under the circumstances and in view of long and faithful service of 11 years on its own merits. Awaiting a favourable early reply and for an opporatunity to hear my sad tale through in a way to give a helping hand and I remain your ever faithfully.

I beg to remain,
Sir,

No.G-38

Office of the Executive Engineer,
Dharwar Irrigation Division,
Dharwar, 16th May 1953.

To

The Superintending Engineer,
Karnatak Irrigation Circle,
Dharwar.

Subject :- Allegations against Sub-Divisional Officers in Karnatak Irrigation Circle.

Reference: Your letter (Confidential) No.G-38, dated the 13th April 1953 and subsequent expeditors.

2. The application dated the 20th February 1953 of Shri L.S.Tibeli, ex-Khalasi, referred to in your letter mentioned above, has not been received in this office and therefore, no reply thereto could be sent by this office.

3. The allegations in paragraphs 1 to 5 of the application, do not pertain to this Division. These presumably refer to the Sub-Divisional Officer, Dharwar, under the control of the Executive Engineer, Dharwar Division (B.& R.) as the Khalasi joined the Dharwar Irrigation Projects Sub-Division under this Division on the 1st March 1952 on an exchange transfer.

4. Regarding allegations in paragraph 6 of the application it is learnt on enquiry with Shri S.P.Bhat, Deputy Engineer, that he never asked Shri Tibeli to drive his car on any occasion and repair it at his cost. In fact, the Sub-Divisional Officer states that he did not know that the Khalasi possessed a driving licence. I have noticed that Shri Bhat drives his own car. The allegations made by Shri Tibeli are, therefore, false and baseless. It is a fact that Shri Tibeli was warned in writing by Shri Bhat, Deputy Engineer, on account of his insubordinate & indifferent behaviour and unsatisfactory work when it was noticed by him that oral instructions given to him previously had no effect, vide Sub-Divisional Officer, Dharwar Irrigation Projects Sub-Division's No.18/731, dated the 12th August 1952 (copy attached). In spite of the above, when no improvement in the work and behaviour of Shri Tibeli was noticed, he was transferred to Sirsi Sub-Division by my predecessor (Shri V.R. Deuskar) in the last week of August 1952 in the interest of public service as also to replace one of the two peons in the Sirsi Irrigation Sub-Division, who had to be transferred immediately outside that Sub-Division as a punishment, for having made baseless and mischievous allegations against their Deputy Engineer, vide correspondence ending with this office (Confidential) endorsement No.G-38, dated the 11th August 1952.

P.99

5. The contention made by Shri Tibeli in paragraph 7 of his above application is also not correct, as the peon referred to by him, on enquiry, gave me in writing in October 1952 that he was not agreeable to go to Sirsi. On personal enquiry with this peon, it is learnt that Shri Tibeli deceitfully took an application directly (which was not received in this office) from Shri Kalbag, peon, showing him false hopes of transfer to Sirsi.

6. ....

6. In this connection, it may not be out of place here to bring to your kind notice all the previous details regarding Shri Tibeli, which will clearly throw light on his obstinate behaviour and indifferent and insubordinate attitude.

(i) Shri Tibeli was transferred to this Division from the Dharwar Division (R. & B.), as a Khalasi on the Temporary Establishment on an exchange transfer as stated in paragraph 3 above and he joined the Dharwar Irrigation Projects Sub-Division on the 1st March 1952. Immediately after resuming duty, he put in an application dated the 13th March 1952, received under Sub-Divisional Officer, Dharwar Irrigation Projects Sub-Division's endorsement No.18/261, dated the 14th March 1952, stating that he may either be promoted as a peon or re-transferred to his parent Division. In reply, he was informed, in this office letter No.G-52, dated the 25th March 1952, that, as he is the holder of post of a Khalasi in the Dharwar Division (B.& R.) and accordingly he should work in that capacity in the Dharwar Irrigation Division also. In fact, the Khalasi at his own request preferred this Division to Kolhapur Division, where he would have been transferred along with the Special Project Sub-Division, which was then shifted en bloc. P.89 P.91

(ii) On the 17th March 1952, he put in an application (received under Sub-Divisional Officer, Dharwar Irrigation Projects Sub-Division's endorsement No.18/364, dated the 27th March 1952) requesting for the grant of earned leave for 54 days with effect from the 1st April 1952. As the leave was not recommended by his Sub-Divisional Officer (Shri V.C.Hosur) with immediate effect, Shri Tibeli was informed in this office letter No.G-73, dated the 5th April 1952, that the leave could not be granted to him till end of June 1952. P.93 P.95

(iii) As reported in paragraph 4 above, Shri Tibeli was transferred to the Sirsi Sub-Division and was accordingly relieved from the Dharwar Irrigation Projects Sub-Division on the 3rd September 1952 A.N. However, on learning that he was transferred to Sirsi Sub-Division, he purposely put in an application on the 30th August 1952 received under Sub-Divisional Officer's endorsement No.29(a)/819, dated the 5th September 1952, requesting leave for 2 months with effect from 1st September 1952 (i.e. two days prior to the date of his relief) to settle his urgent domestic affairs. The leave applied for by the Khalasi was refused in this office letter No.G-52, dated the 9th September 1952 as he was under orders of transfer and he was instructed to join at Sirsi first. On hearing from the Sub-Divisional Officer, Sirsi that the Khalasi did not join his duties at Sirsi on the due date, he was informed in this office (Registered A.D.) letter No.G-52/4, dated the 15th September 1952 that he should report for duty at Sirsi immediately, failing which disciplinary action would be taken against him. P.97 P.101 P.103

(iv) Shri Tibeli sent an application dated the 15th September 1952 (?) received in my office on the 13th September 1952 stating his inability to go to Sirsi. But he was again informed in this office letter No.G-52/58, dated the 19th September 1952 that the orders regarding transfer cannot be cancelled and that he should report for duty at Sirsi immediately. In reply to this, he flatly refused in his letter, dated the 20th September 1952, to leave Dharwar and to go to Sirsi. P.105 P.107 P.109

(v) ....

P.111 (v) On the 9th October 1952, he again sent an application suggesting some other peon for transfer to Sirsi (vide paragraph 5 above) and requesting for his retention at Dharwar. The peon suggested by him stated in writing, on enquiry, that he was not agreeable to go to Sirsi. He was, therefore, informed suitably and again instructed to report for duty at Sirsi, in this office letter No.G-52/56, dated the 22nd October 1952. In spite of several reminders letters P.113 to resume duty, he did not obey the orders and again flatly refused to go to Sirsi in his letter, dated P.115 the 24th October 1952. At the same time, he again P.117 sent another application, dated the 22nd October 1952 (received under Sub-Divisional Officer, Dharwar Irrigation Projects Sub-Division's endorsement No. P.119 29(a)/1035, dated the 25th October 1952), requesting for leave for 2 months more up to 31st December 1952. He was, therefore, finally informed in this office P.121 letter No.G-52, dated the 21st November 1952 to resume duty by the 2nd December 1952, failing which, his services would be terminated.

(vi) Without taking any cognizance of my above communications, he used to send applications after applications refusing to go to Sirsi and making allegations in desperation against officers, etc. In one of his applications, he stated that he was trying to seek employment elsewhere. Looking to his insubordinate and irresponsible attitude, he was as a last resort, served with a 'Show Cause' notice P.123 vide this office letter No.G-52/20, dated the 19th December 1952. In response to this, he, in his P.125 explanations, dated the 22nd December 1952, stated the same usual domestic difficulties and at the same time, requested for appointment as a Motor Driver and wished to be heard in person. Accordingly, he was given by me a last opportunity, in this office letter P.129 No.G-52/36, dated the 17th January 1953, to see me on the 2nd February 1953 on which date he was personally advised to obey the orders and resume duties at Sirsi for some time at least. But he failed to do so, in spite of sufficient time and opportunities given P.131 to him and ultimately he had to be removed from service as per this office order No.G-52/34, dated the 16th February 1953, after satisfying myself that nothing further could be done in the matter.

7. Copies of all the communications mentioned in the foregoing sub-paragraphs are attached herewith in the order of sequence for favour of your perusal, vide Appendix I attached. It may also be seen from the following 3 paragraphs as to how the mind of Shri Tibeli was working for securing his desired object.

8. After termination of his services, Shri Tibeli, in his letter dated the 26th February 1953, has threatened this Department to drag it in the Court of Law.

9. It may also be mentioned here that as per the instructions of Government and Superintending Engineer, Karnatak Irrigation Circle, Shri Tibeli has been warned by me for sending applications in this connection direct to Government and to you, vide your endorsement Nos.G-13, dated the 24th October 1952 and G-52, dated the 15th November 1952.

10. Somehow, Shri Tibeli managed to return some of the Registered A.D. letters containing this office important and urgent communications. A special reference had then to be made to the Postal authorities to see that such letters

are ....

do
/~~xxx~~ not remain undelivered through ~~the~~ mischief of somebody. Thereafter, all the letters were delivered to him by the Postal authorities.

11. From the details furnished above, it will be seen that Shri Tibeli was given sufficient time and apportunity for not less than 6 times, to resume duties at Sirsi, pointing out specifically at every stage, the serious consequences that he would have to suffer for his defiant actions and irresponsible attitude towards the orders of the superior authorities. In spite of all this Shri Tibeli, without caring for the consequences began to make baseless allegations in desperation against the officers of this Department, thinking that by resorting to such type of blackmailing and threatening methods, it would be easy for him to gain his desired object. The details furnished above, I hope, will amply justify my action in removing Shri Tibeli, Khalasi, from Government service, who unauthorizedly and intentionally remained absent from Govt. duty from 4th September 1952. His case does not, therefore, deserve any further consideration.

Subject — Application from Shri L. S. Tibili Khalashi

Ref — your No G-38 Confidential dated 23-4-53

Para 1 of the applicant—

The statement made by the applicant that he was appointed as a Khalashi on condition that he would drive the private car : the S.D.O is incorrect. He was appointed by the Executive Engineer Junior Division as he was an ex-serviceman I had never asked him to drive my car or in the alternative threatened him about dismissal or transfer to outside station.

Applicants paras 2 to 5

The statement made by the

applicant is incorrect. I possess a driving licence and I was always driving the car myself. Besides my car has a self starter and locking arrangement and never required the help of any person, nor did anybody accompanye me except the road Karkun or the overseer whenever I was going out for inspections

The applicant had once approached me in office and told me that he was a truck driver in military Department and wants to apply for the post of a truck driver on Govt Trucks to get more paiy. It is with this intension that he had taken a driving licence in the civil Department. He has borrowed in all rupees sixty from me on two occasions on one plea or the other and this amount he has never returned to me till today. The applicant of his own accord had taken my children from school to house on some rainy days. but

but I had never ordered nor asked him to do this work.

The applicant never accompanied me in my car nor did he take my family to any place. He is extremely arrogant and is not worth telling any 'work'.

When the road project Sub-Dn Dharwar was transferred to Kolhapur one Peon from Dharwar irrigation Dn expressed his willingness to go to Kolhapur and the applicant with the hope of getting the post of a Peon gave his willingness to go to I.D Dn As he was an unwanted person I readily relieved him

It seems as usual his behaviour was not good in I.D Dn and hence he was transferred to Sirsi by the Executive Engineer Dharwar Irrigation Dn

After his transfer to Sirsi he approached me in August 1956 or so to request the then Executive Engineer

Engineer Dharwar Irrigation Dn to ~~to~~ cancel his transfer. As I knew this man thoroughly I refused to approach the Executive Engineer to cancel his transfer and hence he has maliciously drafted this application to spoil my name.

If he had any grievance against me he could have intimated the same to the Executive Engineer Dharwar Dn where office was in the same compound, or at least immediately after his transfer to D.I.Dn. say in March 1952 or so and not after one year after his transfer.

I am sending herewith the reply in question received on 25-5-1953 from Shri.S.K.Latnekar, (His No.C-10, dated 20-5-1953).

2. In this connection, I have to remark as follows -

Shri.Tibeli had not made any such complaint to the undersigned while in this Division and as such, I think that the intention of making such statements now seems nothing but to get a transfer to this Division or to a good place. Most of the matter in question is of a private nature and hence it is not possible for the undersigned to say anything about the same. It is also not possible to verify any of the same as they are now more than one year old. Under these circumstances, the grievances as mentioned by Shri.Tibeli cannot be taken as correct. On the contrary, he may be asked to state why he did not complain about the same either to the Deputy Engineer, or to the Executive Engineer - say within three months from the date of such occurrance. Having failed to do the same, no hearing can be given to it now.

Subject:- Allegations by Shri.L.S.Tibeli Manikilla, Dharwar, against Shri.S.K. Latnekar, Deputy Engineer, Hubli.

Reference: The Superintending Engineer, Karnatak Irrigation Circle, Dharwar's confidential letter No.G-38, dated the 17th April 1953 and Confidential Government endorsement (P.W.D.) No. NS-93/21138-F, dated the 5th March 1953 forwarding Shri.L.S.Tibeli's representation dated the 20th February 1953 together with its accompaniments and subsequent correspondence ending with this office confidential D.O.No.G-38, dated the 22nd May 1953.

2. In returning herewith the above quoted representation with its accompaniments (pages 3 to 54), I enclose herewith the statement bearing confidential No.C-10, dated the 20th May 1953 from Shri.S.K.Latnekar, B.E., Deputy Engineer, who was the then Sub-Divisional Officer in-charge Special Buildings Construction at Dharwar. A copy of the Executive Engineer, Dharwar Division's confidential letter No.G-38, dated the 28th May. 1953 is also enclosed.

3. If as stated by Shri.Tibeli, he had any grievance against Shri.Latnekar, I cannot see why he did not complain about this to the Executive Engineer, Dharwar Division orally at least if not in writing when he was in Dharwar Division or after his transfer to Dharwar Irrigation Division when he was working in a different Division with no fear of being victimised. It is also strange that when according to Shri.Tibeli himself he was not asked by Shri.Latnekar to do any of his private work during the first three years of his service, Shri.Latnekar should all of a sudden have asked him to do such work one night as alleged by Shri.Tibeli. It would appear that Shri.Tibeli has made the allegations against Shri.Latnekar after a long lapse of time with a view to cast aspersions against him because he could not get his transfer cancelled through him. I therefore agree with the Executive Engineer, Dharwar Division that the allegations are not bonafide.

2. Both the S.E. pp.141-147, S.C. and the S.E.,H.I.C., have investigated into the allegations made by Shri L.S.Tibeli and submitted their reports in the matter. Shri Tibeli was appointed by the Ex.Engr.,Dharwar Dn., and posted to the Bldgs. and Roads Sub-Dn., Dharwar. Shri S.K.Latnekar, the Dy.Engr. in charge of the Sub-Dn. has refuted pp.141-144 the allegations made against him that he forced Shri Tibeli ~~him~~ to do his private work such as driving car, etc. He also states that he knew motor driving and that he neither utilized the services of Shri Tibeli for driving the car nor even took him (Shri Tibeli) in the car with him. Shri Latnekar, however, states that Shri Tibeli did bring his children from school to home on rainy days of his own accord. Shri Tibeli it is stated approached Shri Latnekar in Aug.1952 to put in a word to the Ex.Engr., Dharwar Irrign. Dn., not to transfer him to Sirsi. Shri Latnekar states that as he refused to intervene in the matter Shri Tibeli seems to have complained against him. In case Shri Tibeli had any complaints to make it is not clear why he remained silent even after his transfer to the Dharwar Irrign.Sub-Dn., which he could have done at least orally, if not, in writing. Shri Tibeli seems to have complained against Shri Latnekar to cast aspersions ~~carry reports~~ against him as he could not get his transfer orders cancelled through him.

3. As regards Shri Tibeli's complaint against the S.D.O.,Dharwar Irrign.Sub-Dn., Shri S.P.Bhat, Dy.Engr. states that he never asked Shri Tibeli to drive his car or repair it at his cost. Shri Bhat had, however,

warned..

warned Shri Tibeli in writing as he failed to improve in his behaviour and work. Since he failed to improve he was transferred to the Sirsi Sub-Dn. by the then Ex.Engr., Dharwar Irrign. Dn. The Ex.Engr. has in his letter No. G-38, dated the 16.5.53, given seriatim the corres. that passed between Shri Tibeli and the Ex.Engr., Dharwar Irrign. Dn., reg: his transfer. It is clear from the facts reported by the Ex. Engr. that Shri Tibeli was given enough chances to join the Sirsi Sub-Dn. He, however, refused to do so. This amounts to misbehaviour on the part of Shri Tibeli. Though no regular departmental enquiry was held before removing Shri Tibeli from service, he was given sufficient chances to set himself right. The Ex.Engr., D.I.Dn., therefore served Shri Tibeli with a show cause notice-vide his letter No.G-52/20, dated the 19.12.52 and Shri Tibeli's reply thereto dt. the 22.12.52. It is seen therefrom that Shri Tibeli showed no inclination to serve at Sirsi. However, as desired by Shri Tibeli to explain matters in person to the Ex.Engr., he was allowed to do so on 2.2.53. He was requested at the interview to obey his orders and join the Sirsi Sub-Dn. However, as he failed to do so, Shri Tibeli's services were terminated by the Ex.Engr., Dharwar Irrign.Dn. in his letters No.G-52/34, dated 16.2.53.

Ih the circumstances as stated above Shri Tibeli may be informed that on investigation it has been found that the allegations made by him are not correct. He may also be informed that his request to be reinstated in service, cannot be granted.
